Wear **BLUE** for children's grief awareness day
Let every grieving child and teen know they're not alone

A time to
Remember
Grieving kids.

make a difference --
by being there.

A day to help
Grieving kids
Know they're not
Alone or forgotten.

Did You Know?

- 1 in 5 children will experience the death of someone close to them by age 18.
- 1.5 million children are living in a single-parent household because of the death of one parent.
- Classroom teachers report that students who have lost a parent or guardian typically exhibit:
 - Difficulty concentrating in class (observed by 87% of teachers)
 - Withdrawal/disengagement and less class participation (observed by 82%)
 - Absenteeism (observed by 72%)
 - Decrease in quality of work (observed by 68%)
 - Less reliability in turning in assignments (observed by 66%)
- 7 in 10 teachers (69%) currently have at least one student in their class(es) who has lost a parent, guardian, sibling, or close friend in the past year
